Commonly asked questions:

1. Can I leave early from the dock? When you leave is up to you. You can leave very early on Saturday morning, but Recreational boats may not start fishing until 5:00 am on Saturday. You are on your honor not to fish before 5:00 am. OPM Division starts fishing at midnight.
2. Can I leave from another dock somewhere outside of Mexico Beach? Yes, you can leave from the waterways of Mexico Beach, St Joe Bay, and Indian Pass. No exceptions!
3. Do I have to weigh my fish at Mexico Beach Boat Ramp? Yes.
4. Can I park my boat at another place and bring my fish to the scales by truck or car? Yes, as long as you make it to the scales before **6:00 pm CDT**.
5. Can I get assistance getting my fish to the scales? No, you are responsible for getting your fish to the scales to weigh. That is a part of the tournament itself. Getting back from offshore and getting the fish to the scales is the responsibility of the angler. Your boat and equipment are a part of the tournament process. The tournament staff cannot help you get in to weigh your fish. You must make decisions on which fish to weigh.
6. My boat is too big to get under the bridge in the canal at Mexico Beach. What can I do? You have several options. Park a truck on the canal for use when you get to the canal, then take fish out of boat and put into truck and drive over to **Mexico Beach Boat Ramp**. If your boat is too big to use the canal, park the boat wherever you left from and put your fish in your truck and bring the fish to the canal. Bringing the fish to the weigh station is the responsibility of the anglers on each boat. You can drive a truck up to the scales or come in by boat. Be on time--scales close at **6:00 pm CDT** on Saturday.
7. If I am in line at the weigh-in and it gets to be 6:00 pm, can I still weigh my fish? Yes. The tournament director will blow a horn at 6:00 pm and any fisherman inline at the scales with their fish and recognized by the Weighmaster/Staff will be allowed to weigh their fish. No exceptions.
8. How do I secure my place at the weigh-in if there is a line at closing time? Be in line with your fish at the scales and recognized by the Weighmaster/Staff by 6:00 PM CDT. No exceptions!

9. What time will the Mexico Beach Marina open for gas and bait? Mexico Beach Marina is scheduled to open at 5:00 am CDT; however, their schedule is not controlled by MBARA. If you want to get an early start, we highly recommend you make your purchases prior to the tournament date. Mexico Beach Marina is on Highway 98 on the Mexico Beach canal. They do not allow trailers in their parking lot so you may need to fuel from the canal.
10. Can I come down Saturday morning and register? NO. If you anticipate a problem pre-register online.
11. Do I have to be a member of MBARA to fish in the tournament? No, but we encourage you to join, helping us to build more reefs. You can go to the website at www.mbara.org to print and mail in a membership form or join online. You can also sign up to be a member at the Captains Party. Membership is only \$40 a year. MBARA is an all-volunteer organization and no one receives compensation for the work they do, maximizing the funds that go to reef building, education, and research.
12. Do I get a free T-shirt when I register? The free short sleeve T-shirt is given out at the Captains Party if you wait to register at the party. If you preregistered, you get a long sleeve performance tournament shirt. Bring your online registration receipt to claim your long sleeve performance tournament shirt at the Captains Party and registration on Friday night at the **Mexico Beach Boat Ramp**. You may also take your registration receipt to the Mexico Beach Marina before or after the tournament to claim your long sleeve shirt.
13. How can I get more T-shirts? T-shirts are sold in Mexico Beach at Mexico Beach Marina and Port St Joe at Piggly Wiggly. You can also order them online at www.mbara.org. Get 'em while they last!
14. Can I get a refund? NO. This is a charity event to raise money to help MBARA build more reefs, conduct research, and provide education to the public on the benefits of the reef building effort.
15. Where can I get an official tournament magazine? Tournament magazines will be available in May. They're available in Mexico Beach at the Mexico Beach Marina and in Port St. Joe at Blue Water Outriggers, as well as other sponsors.
16. How does the payment count for who is fishing? Registration is \$200 per boat. You can fish as many people as you like on each boat. Optional entries for Juniors and Ladies divisions are \$25.00 each division.

17. What about the parties? On Friday night we have a great sausage and gumbo cookout with soft drinks and beer at the **Mexico Beach Boat Ramp**. The Bay County Sheriff department Cooking Team will grill up huge quantities of sausage made fresh for our event by Salt Lick Sausage. Additionally, Sam and Sharon Sullivan have agreed to cook their award-winning gumbo. *Sausage and gumbo will be served from 5:00 pm until 6:00 pm at the **Mexico Beach Boat Ramp***. There will be registration, door prizes, and lots of socializing among old friends. The Captains Meeting starts at 6:00 pm where rules will be clarified and questions answered. Tables and chairs will be very limited and you're encouraged to bring your beach chairs.

18. Where is the weigh-in? The weigh-in is at **Mexico Beach Boat Ramp on the north side of Hwy 98 on the west end of Mexico Beach. The vehicle entrance is from Hwy 98 west of the Mexico Beach Canal Bridge.** There will be a large leader board posted.

19. How many door prizes can I win? Only one door prize per boat for the MBARA Tournament. This allows more winners.

20. I would like to donate a door prize. Please contact Capt Mitch at mcoleman54@yahoo.com to make your request no later than 30 days prior to the tournament for approval.

21. Can I register early? Yes. You can preregister online. Go to <https://www.mbara.org/tournament-registration.cfm> . **This will get you a very nice long sleeve performance tournament shirt valued at over \$30.00.**

22. How much fun can I have? This will be a fun and memorable weekend. Historically, we have people who register a boat just to join the party and support MBARA without fishing the tournament. However, this year with the new divisions and more ways to win, we really want to get families fishing together in the tournament again.

23. If I am late to the scales on Saturday afternoon, can I still weigh and enter my fish? No

24. How do you keep from having a tie? Ties are not possible. Fish weighed are ranked in the order they are weighed. The first fish of equal weight takes precedence. So a 40.33-pound kingfish weighed in at 2:00 pm will rank higher than a 40.33-pound kingfish weighed in at 2:30 pm.

25. What if I have a protest or complaint? Put it in writing and hand it to Captain Mitch Coleman, Tournament Director **with a \$200 cash deposit**. He will immediately meet with the Tournament Committee for a resolution. The decision of the committee is final. **See Rule 12 above for more important details regarding refund/forfeiture of deposits.**
26. What if I have a suggestion? Any and all suggestions are welcome. We want this to be a friendly tournament. Contact Captain Mitch Coleman MBARA tournament director with any suggestions or comments.
27. Do I get a T-shirt? Yes. You pick it up at registration/Captains Party on Friday night with a copy of your registration or online registration receipt at the **Mexico Beach Boat Ramp**. One per registration. **Additional short sleeve T-shirts will be available at the current retail cost of \$22.00 and \$24.00 each.** Each one you buy helps support our organization's efforts to build more reefs. Early registration will get a very nice long sleeve performance tournament shirt.
28. What about door prizes? Door prizes are given out on Friday night at the Captains Party **at 6:00 pm CDT**. You must be there to win.
29. Can I help? We usually have a crew lined up, but some help may be needed, especially with teardown and cleanup.
30. If I am late, can I still weigh a fish? NO. No exceptions. But you can still get your photo taken as long as our photographer is still on site.
31. How do you monitor starting time of fishing? There is no way we can monitor the entire fishing area. All participants are on the honor-system and we trust you to do the right thing. Winners will also be subject to lie detector tests.
32. Where can I read about the tournament? Several magazines and newspapers cover the event. The STAR is coming this year for pictures and a story. Look for it on the shelves.
33. If I win, will my picture be on the front of the next year's magazine? No. It will go on our annual winners' pages inside the magazine each year as a tournament legacy.
34. Can I buy a shirt now? You can buy them in Mexico Beach at Mexico Beach Marina and Port St Joe at Piggly Wiggly. You can also order them online at www.mbara.org. Get 'em while they last!
35. What are the T-shirt sizes? S, M, L, XL, XXL, and XXXL.

36. How much are they? **\$22.00 and \$24.00 each** if purchased at the Captains Party. We keep them priced low and they are top quality.
37. What about the Seafood Cookbook? We have printed it again. They are available at local merchants and online at www.mbara.org.
38. How can I find the artificial reef sites? You can find a list of all our reefs on the MBARA web site, www.mbara.org. We also have new GPS site cards with the numbers of all known artificial reefs in our permit sites. They are waterproof and very high quality. In addition, you can order SD cards containing our waypoints for many GPS devices. Check our online store at www.mbara.org.
39. Where do I put my boat? This question has several answers. Mexico Beach has an excellent boat ramp where you can launch your boat and park your trailer. Also, you can call the City of Mexico Beach and reserve a slip or a space along the canal walkway where you can tie up (850 648 5700). Port St. Joe also has a boat ramp at Frank Pate Park.
40. If we lose our registration form, can we still weigh a fish? Yes. Unlike past years, you can weigh your fish without showing a copy of your registration. We will have a list of all registered boats and captains and you will sign it when you weigh your fish. However, you are still required to keep your yellow registration form or online receipt in case there is a question about your registration. Be prepared to produce your registration if requested.
41. Who do contact if I have another question? Contact Capt Mitch Coleman, tournament director of the MBARA kingfish tournament and he will get back to you ASAP (mexicobeachreefs@gmail.com).
42. What if my boat blows an engine on Friday while I am catching bait and I have already pre-registered, can I change my registration to another boat? Yes, as long as you do it on Friday before close of registration, or any day before Friday. Just contact the tournament director. You CANNOT change boats on Saturday, the day of the tournament.
43. How can I help MBARA build more reefs? You can become a member of MBARA or donate; we are a tax-deductible organization. We use your donations as matching funds to get larger grants. We are building reefs all the time, and our latest project is 3 to 18 miles out. Remember us in November and December when you are giving to your charities for tax purposes. Also, consider sponsoring a reef which you will get to name, or building a memorial reef to honor your loved ones.

44. If I register in the Ladies and Juniors Divisions, can my boat win more than one prize?

Yes, for example, dad caught the big king in the recreational division, but mom and kids are entered and also have kings to weigh from same boat entry, those can be weighed in the division caught and will be eligible to win. Juniors and ladies aboard boats in both the OPM or Recreational divisions are eligible to register and compete in the Juniors and Ladies Divisions. Juniors must be under 16 as of the scheduled day of the tournament and Ladies Division must be 16 years or older as of the scheduled tournament day.
