August 1, 2020

Attention MBARA Kingfish Tournament Participants,

The MBARA, regretfully, has cancelled the 2020 MBARA Kingfish Tournament scheduled for August 29th, 2020. With the significant surge of positive COVID-19 cases in the local area and deaths reported, the Kingfish Tournament Director and MBARA Board Directors determined that health risks at this social event is unsafe for participants and volunteers working the tournament. The MBARA is also concerned about the citizens of Mexico Beach, Port St. Joe, and neighboring communities in Gulf and Bay County. One serious illness or death would sadly spoil the enjoyment of the traditional party and competition.

All registration fees will be refunded to credit/debit cards used to those who registered prior to the cancellation.

The MBARA and our sponsors look forward to hosting our next tournament in 2021 when it can be done safely. We appreciate your understanding and look forward to your continued support of this charity fundraiser to build reefs off the coast of Bay and Gulf Counties! In the meantime, MBARA will continue building more reefs for your enjoyment with our next project scheduled for August.

Again, thank you for your understanding. Be safe and stay healthy during these challenging times.

Robert Cox, President
Mexico Beach Artificial Reef Association, Inc.
